Wayland June 25th, 1860

Mr. Yerrinton,

By to day's mail, you will receive the alterations I want made in the Emancipation Tract. But this morning I have discovered that Mr. May has misinformed me concerning the date of emancipation in the Danish Islands. In the M. S. I sent you, it is stated that insurrections broke out in 1854, and that, in consequence of the panic, immediate emancipation was proclaimed in 1854.
That statement is incorrect. The insurrections occurred in 1848, and emancipation was proclaimed in 1848.
Please alter those two dates accordingly,

Yrs respectfully,

L. M. Child,

L M Child
